HOW TO MEASURE

- 01** Get a strip of paper
Cut a thin strip of non-elastic paper roughly 10cm long.
- 02** Wrap your finger
Wrap it snugly around the base of the finger you'll wear the ring on.
- 03** Mark the overlap
Mark where the paper meets and measure the length in millimetres.
- 04** Match to the chart
Find your measurement above and select the matching ring size.
